

# GREENATURE RANGE

Our promise and commitment to product eco-friendly caskets in our Greenature™ range is approved by the World Fair Trade Organisation, validating our dedication to ethical and sustainable practices. Every component of our Greenature™ range is thoughtfully sourced from natural material found in Indonesia, ensuring a harmonious balance between environmental consciousness and the preservation of exquisite artistry by supporting the skills of local artisans in Indonesia, we not only uphold the principals of fair trade but also celebrate the cultural heritage of exceptional craftsmanship embedded with every creation. Each Greenature™ product is lined with a luxurious bamboo fiber lining and adorned with a pillow filled with natural plantation pine wood chip.
